ICANN | ISPCP

Internet Service Providers & Connectivity Providers

An Invitation to Join

The Internet Service Providers Connectivity Providers Constituency (ISPCP) is a part of ICANN's
Generic Names Supporting Organization (GNSO)

Internet Service Providers & Connectivity Providers Constituency (ISPCP) within ICANN

- Is composed of Internet Service Providers (ISPs) and ISP Associations across the world

- Ensures that the Constituency represents a broad range of relevant and diverse ISP and Connectivity interests within the ICANN multistakeholder model

- Covers topics like
  - Universal Acceptance of new gTLDs
  - New gTLDs and their impact on the network
  - New Identifier Technologies and their impact on the network
  - Whois policies
  - IP addressing
  - Technical and operational security aspects of the network
